

The Franklin Lakes Recreation & Parks Department and the Wyckoff Family YMCA present the First Annual

# Franklin Lakes Youth Biathlon

July, 2010

Dear Community Supporter,

The Franklin Lakes Recreation & Parks Department and the Wyckoff Family YMCA along with the generous support of the Indian Trail Club are very excited to be hosting the First Annual Franklin Lakes Youth "Splash and Dash" Biathlon on Saturday September 11, 2010. Athletes ranging in age from 7 to 15 will compete in this swim/run event to be held at The Indian Trail Club in Franklin Lakes, New Jersey.

The proceeds from this event will benefit both the Franklin Lakes Recreation Department and the Y. We share the same vision of youth development; to nurture the potential of every child and teen while promoting a healthy lifestyle.

You can support this event in several ways; with a shirt and/or course sponsorship or with a family cheer sign.

We are very excited about this inaugural event which will promote wellness and strengthen our community. Your support will help to defray the cost of running the event; enabling a greater portion of the proceeds to be invested directly into the Franklin Lakes Recreation Department and the Y.

Thank you in advance for your support of this exciting project!
